International Scientific Conference on Cultured Meat

Sponsor Prospectus 2026

Dear Industry Partners,

This year, the 12th edition of the International Scientific Conference on Cultured Meat (ISCCM) will take place! Mark your calendars for November 15, 16, and 17, 2026 and join us in Maastricht, The Netherlands, to share knowledge about groundbreaking advancements in the field of cellular agriculture, not confined to cultured meat. Over more than a decade, ISCCM has played a pivotal role in advancing the science of cellular agriculture by uniting a diverse range of speakers and attendees from different disciplines. The conference has grown into a vital platform for cutting-edge research in this emerging field. It is supported by volunteering professionals and organized by a non-profit charity foundation: ISCCM foundation (see year report on the website conference: culturedmeatconference.com).
